

# Lostine Public Safety Project

## CONTACT LOG

---

Name(s):Mike Eng, Kris Stein

Date:3/23/17

Summary of comments:Mike called Kris to express concern that the Forest Service was not going to implement additional collaboration.

Kris expressed appreciation for Mike's efforts to explore that option.

Discussed how to move forward in a positive way involving the community, including several meetings/workshops to engage the public about the new CWPP, meet with High Lostine Homeowners about the project, and to look for opportunities to involve interested parties in collaborative monitoring of project implementation.
